Rules & Regulations - KEEP FOR YOUR RECORDS

In signing your application, you are agreeing to adhere to the following

VENDOR BOOTH POLICY

- The Norco Mounted Posse may inspect vendors at any time. The NMP reserves the right to shut down any booth for non-compliance with any applicable law(s), operating outside of their requested and approved function(s), or operating in a disrespectful, immoral or unethical manner toward any patron, official, competitor, vendor, city employee or any other attendee of the event. The event goes on rain or shine - no refunds - no exceptions.
- Booths must be set up, manned and ready for inspection on Friday. You will be notified of the inspection time when we get closer to the event. You must confine your operation to inside your assigned space. Nothing may be placed in the aisles. No loud music or hawking is allowed.
- All booths must have visibly displayed the name, address and phone number of the booth owner, the vendor's return policy and resale permit.
- Booths must be cleared nightly of all trash, cooking oils and debris following each performance. **Please leave your booth area the way you received it. If it is not left clean, you may not be asked to return next year.**
- A MAXIMUM of four people (including children) will be given vendor passes for retail booths. Additional passes may be granted for larger operations. The grounds must be cleared of all vehicles, no later than the listed times. Security will perform a daily sweep at this time and you will need to remain in the vendor area until the gates are opened. Vehicles will be allowed back on the grounds after the performance when security feels it is safe. **Please do not confront security.**
- Vendors requiring electricity will need to provide an extension cord at least 100 feet long. Pigtails are also required. Limited amounts of power are supplied for all booths. Special power requirements (220v) must be discussed with the vendor chair in advance and may require additional \$\$\$. Halogen Lights must be approved by vendor chair.
- NO OUTSIDE ALCOHOL BEVERAGES ARE ALLOWED INSIDE VENDOR BOOTHS AT ANY TIME.**
- All **booths** must comply with the City of Norco Fire Department Guidelines and supply the appropriate fire extinguisher(s) for their booth.
- Vendor agrees to see that their booth is staffed, open and operational 30 minutes before the gates open and during all operational hours of the Rodeo. Vendors opening late or closing before the end of the performance will be expelled with no refund.
- You may only sell the items listed on your vendor product form that has been approved by the committee. We will contact you if there are items on your list that you may not sell.
- All canopies must be adequately secured at all times. We can have high winds.

City Of Norco–Fire Department Guidelines

The following guidelines are provided by the Fire Department in Norco. ALL vendors must adhere to them. Failure to follow these guidelines will result in removal from event without refund.

- A Fire Department Permit is required (NMP will get permit).
- NO cooking under/inside tents
- All tents must be fire resistant
- Floor coverings, combustible decorative materials and effects, including sawdust, hay, woodchips, when used as floors or passageways, shall be composed of flame resistant material or shall be treated with flame retardant.
- At least One (1) 2A-10BC fire extinguisher shall be within 75' of all retail vendors

Cooking and Heating appliances:

- The total aggregate capacity of LPG cylinders or tanks in use shall not exceed sixth (60) gallons without a separate Fire Department permit
- Propane tanks must be in a location protected from vehicles and human traffic
- LPG tanks/cylinders should be no less than 5-10 feet from tent, canopies, booths, exit ways or possible source of ignition
- Deep fryers shall be a minimum of 5-10 feet from fabric sidewalls or other combustible material
- Gas cylinders or tanks shall be secured in place to prevent tipping over or damage with the pressure regulator directed away from tents, canopies, booths and exit ways
- Outside cooking by use of gas, solid or liquid fuel burning equipment shall not be conducted within 10-15 feet of a tent, canopy or booth
- Cooking by the solid use of fuel (wood, charcoal, etc.) shall provide an additional 2.5-gallon pressurized water extinguisher, 5-gallon bucket of water or a charged garden hose. NEVER dispose of solid fuels in a combustible container, trash container or other device
- One (1) 2A-10BC fire extinguisher per cooking booth.
- One (1) "K" Extinguisher is required for deep fryers or grease laden vapor appliances and must be current on its service
- All cooking trailers (including concession trailers) shall have a hood/duct system and a kitchen suppression system (services within last 6 months) that complies with UL300 requirements
